Start to go. On unseen feet start to go.
So slow that only change of place to
show he went. As when he disappeared
only to reappear later at another place.
Then disappeared again only to
reappear again later at another place
again.

So again and again disappeared again only to reappear again later at another place again. Another place in the place where he sat at his table head on hands.

- The same place and table as when Darly for example died and left him. As when others would too in their turn before and since. As when others too in their turn and leave him till he too in his turn.
